## NEWS FROM YOUR . . .

WHAT A THRILL AND BLESSING IT WAS TO TRAVEL WITH OUR CHAPEL CHOIR ON TOUR '88!!! Everywhere we went, God worked through them in their concerts. The response from you folks since our Home Concert has indeed been gratifying; thank you for allowing such an experience for our youth. It is my prayer that more and more young people . . . high school and college . . . take part in future Chapel Choir events.

THIS GROUP WILL CONTINUE MEETING AND SINGING THROUGH JULY. Our rehearsals will begin each week at the delayed time of 6:00 on Sundays, then we will sing in the evening worship services. The musical choir year will end on the last Sunday in July as we sing our full concert - choir / ensemble / bells - at the Oakhaven Baptist Church where you youth will be kicking off a week of mission trip activities.

THEN . . . IN AUGUST MR. MIKE McCracken CONTINUES HIS STUDY OF JAMES. This was begun as part of our Bible Study on Tour '88, but was not completed. All choir members and friends will meet in the choir room at their regular 6:00 time for this study.

OUR MINI-CONCERT SERIES (THE SECOND ANNUAL) IS COMING EVER NEARER. Look elsewhere in this *BUILDER* for who, when and where - it's a super line-up.

## The Seagle Say:

### FICKLE FOLK . . .

we are! Albert Einstein best illustrated it when he said, "If my theory of relativity is proven successful Germany will claim me as a German and France will declare I am a citizen of the world. Should my theory prove to be untrue France will say I am a German and Germany will say I am a Jew!"

### FICKLE?

You bet! Tragic? It can be! You see, I've noted with amazement and consternation the foolish fickle nature of people who are always looking for something they can never quite identify. Their confusion seems to produce a cynicism that infects almost everyone.

### OCCASIONALLY . . .

I hear these marvelous words - "I saw (and they give a name) the other day. She is so delightful. Every time I see her I sense she is together. The neat thing about her is that she's always the same!"

What do they mean? Simply stated, the person being described has found and in turn exudes a confidence and

security that's the envy of all. They are "fickle-less!"

### "FICKLE-LESS"

folk! Wouldn't that be wonderful? "Fickle-less" folk might be characterized as those who are:

- unconditional in their care for others;
- consistent in their personal life style;
- secure in their personal relationship to our Lord and to the greater circle of friends;
- optimistic about life and people;
- growing in their appreciation of what our Lord is doing in His world;
- excited with their venture of faith.

### FICKLE FOLK . . .

on the other hand, might be characterized as:

- insecure;
- gossipy;
- fault-finding;
- often angry;
- suspicious;
- feelings on their sleeves;
- looking for every mistake and upset with imaginary problems.

The call of God is to produce "fickle-lessness." I want that for me and you. I'm sure all of us would then see His world clearly and with greater appreciation.

See you 1500 strong Sunday.

## FIRST PERU PROJECT ANNOUNCED

Can you run errands, share your faith, drive a nail, wield a paint brush, hug a sick child, "fix" teeth, lead a Bible study, do eye surgery, teach health care, assist physicians or a dentist?

If you can answer "yes" to even one of the above, God may be calling you to participate in the first project of our Peru Partnership scheduled for late October / early November 1988.

Approximately twenty persons will be needed to fill slots in this EVANGELISM / CONSTRUCTION / MEDICAL MINISTRY. Ideally we will have the following participants:

- ☆ four women for visitation, Bible study, errands, etc.
- ☆ one experienced builder and three "go-fers"
- ☆ two pediatricians
- ☆ two ophthalmologists
- ☆ one internist or family practitioner
- ☆ four to six allied health professionals (men or women)

However, because we believe so strongly that the Lord must lead those who choose to go, the make-up of the final team may differ somewhat from the original plan.

All expenses will be borne by individuals making the trip.

The first thing which anyone desiring to explore the possibility of joining the team should do is to go by Jill's office and get copies of the Peru Partnership document and the Mission Project description.

WHEN YOU ARE READY TO MAKE A DEFINITE COMMITMENT TO GO, YOU SHOULD CALL JILL AT THE CHURCH OFFICE. SHE WILL TAKE YOUR NAME, DATE, AND TIME OF CALL. If more persons desire to go than the project can accommodate, the date of your call will be the determining factor in participation.

REMEMBER TO PRAY FOR OUR PARTNERS IN PERU!

## *"Letters That Lift"*

Mr. Cecil W. Seagle  
First Baptist church  
500 N. Palafox  
Pensacola, FL 32501

June 28, 1988

Dear Reverend Seagle:

Last week we were privileged to have the Chapel Choir of your church on campus to sing for a chapel service. May I say what a delight they were. Although in the middle of the tour, the performance was fresh, invigorating, stimulating, and challenging. The young people sang with such conviction and attention to musical nuances; many of our music students expressed their desire to some day have such a group.

We all know any choir is a reflection of the leadership they receive. You are fortunate to have a quality Minister of Music in Bob Morrison. His love for the young people was evidenced in the high quality of literature and in his demands for excellence. Their love for him was demonstrated in their outstanding performance.

Please know we consider our school fortunate to have been included on your Chapel Choir tour. We would certainly welcome them back in the future.

Best wishes for a good summer.

Sincerely,

C. David Keith, Assistant Dean  
Performance Division  
School of Church Music
