PERU: Person to Person

Sharing the Good News with the people of the area will be the major emphasis of the next mission trip to Trujillo. The trip is planned for July 15-23.

Big A Clubs, Bible studies, home testimony meetings, evangelism outreach, tutoring, training in men's and women's organizations--as many ways as the skills of the participants provide--will be used to touch lives and build bridges of Christian love.

In addition to those already signed up, several other people are needed to accomplish the goals of the project. Please consider carefully your possible participation in this mission project. If you can plan to go, please call Jill in the church office for details and let her put your name on the list.

SUMMER CHURCH TRAINING

Discipleship training for the summer will be focused on four special courses for adults:
HAPPINESS IS A CHOICE — June 3 through July 16

A video series of six sessions intergrating medical and Biblical approaches to help people deal with their own or others' depression. Beyond descriptions of depression and its causes, symptoms, and treatments, Drs. Frank Minirth and Paul Meier offer basic steps and guidelines for recovering and sustaining a happy, fulfilling, and meaningful life.

A panel of FBC doctors and psychologists will moderate and guide discussion of the issues by those involved in the course.

DEALING WITH THE OCCULT — July 23 through August 6

Local experts in dealing with the problem of the occult will guide participants in developing skills for understanding and thwarting the dangerous influences to which society, and especially our young people, are being exposed.

THE HISTORY OF GOD'S RELATIONSHIP WITH MAN — August 13 through 27

Dr. Andy White will use the Bible to trace the history of God's plan for mankind. Focus will be on the Garden of Eden, sin, the Law or the First Covenant, purpose of the nation of Israel, sacrifices, the reason Jesus had to come to earth, the redemptive blood of Christ, the New Covenant, the new creation of man, etc. Bring your Bible and a notepad and plan to participate in this unusual presentation.

MISSIONS SPANISH WILL CONTINUE THROUGHOUT THE SERIES

Anyone interested in going to Peru during the time of our Partnership will find the class helpful.

THE SEAGLE SAY:

Planning . . .
is priority and essential. No one does more than they plan to do. An old adage — "Planning your work and working your plan" — may seem trite, but it's still true.

The staff . . .

and I have spent hours planning the 1990 - 91 calendar. The plans are ambitious, far-reaching and growth-oriented. These plans will challenge, stretch and motivate us to be and do our best for Christ's sake.

There are . . .

several valid reasons for good and consistent planning.

— 1. It is essential that we know where we're going. Planning does that for us.

— 2. A vital ingredient in life together is the process of thinking, analyzing and

implementation. Planning does that for us.

— 3. Prayer is an essential element for direction. Planning requires prayer for us.

— 4. Programs that touch lives require excellence in organization. Planning allows that for us.

— 5. Conflicts in calendaring can divide and stress our fellowship. Planning allows us to eliminate most conflicts in calendaring before they arise.

— 6. Planning allows all of us to become partners in this great enterprise we call the Kingdom of God.

We all . . .

want the very best for all of us. Planning assists us in managing a very busy schedule that at best impacts a wide variety of people. Thank you for consistently praying for God's leaders in this place. We want to honor Him while we reach people. Your commitment to prayer and planning is vital.

I'll see you 1500 strong in Sunday School.
