## New Leader for Mother's Morning Out

We welcome Mrs. Jean Ingram as our new Interim Mother's Morning Out Director. She is a past teacher in our program and a very involved member of our church. Let's make her feel welcome in this new role.

### A word from Jean ...

We will be starting our new year September 8. Applications are available at the Children's Ministries office. Invite your neighbors and friends to enroll their children in a morning of love, care and fun!

## MISSIONARY NEWS

We have received word from David Chism about the VBS results at Getsemani Baptist Church. They expected 80, prayed for 120 and had 200. Four parents and seven youth made professions of faith. Last week David translated for a Partnership Evangelism campaign in Ambato and 65 were saved in one church alone. In Latacunga a new church was born as a result of the campaign in this city where there was no Baptist Church.

Praise God!

## THE SEAGLE SAY:

been established.

### Focus!

What a terrific word!

Focus means:

- clarity
- without "fuzziness;"
- sharpness;
- crispness;
- that priority has

### Focus...

is the toughest thing in the world for a congregation serious about following Jesus Christ. There are reasons for such difficulty.

- 1. Political aspirants need votes.
- 2. Lobbyists need signatures.
- 3. Social action, civic and moral concern groups need help. The best place in the world to get that help is--you guessed it--the church!

### My weeks...

are filled with those who have concerns--most of which are legitimate--and who strongly believe I must make their organization and concern my number one priority. Like every pastor across America, I'm:

- confronted;
- cajoled; --and
- pressured to make whatever the movement, concern or issue may be my personal focus as well as the focus of the Family of Faith!

The problem, any issue or movement that moves the Family of Faith away from a New Testament focus is dangerous! "What is the New Testament focus?" you ask. The focus, the priority of the New Testament is:

- 1. Evangelism and Missions

Mankind--worldwide--without Jesus Christ is eternally lost. Our mandate--tell them about God's wonderful gift of love and life through Jesus Christ.

### -2. Discipleship and Christ-like-ness.

Once born into His Kingdom we must persistently seek to become like He is. The task of Sunday School and training events is the task of making disciples.

### -3. Building fellowship.

Living together in unity is a Biblical mandate. Differences are not dangerous unless they become disruptive, antagonistic and vengeful. Acts 6 tells us the Holy spirit is quenched where reconciled family is missing.

### My focus...

is forever bound to those three New Testament precepts and priorities. Within those three is room for personal involvement in social concerns, political activity and moral movements. Focus, however, will never allow us to substitute the secondary for the priority.

### Bottom-line!

How long has it been since you:

- 1. sat down with someone and shared with them how you came to receive Christ and then led that person to pray to receive Him?--or--Invited, simply invited, them to be your guest where the Gospel is shared in grace and love?

- 2. invested time in Master Life, the Navigators or in a course of personal study that grows you toward Christ-like-ness?

- 3. wrote a note of thanks, shared a word of praise, spent some time in prayer for your brothers and sisters in the Family of Faith, determined to build them up in the faith?

### Focus...

dear friends, focus--there's no option for us!

See you 1500 strong as we study together Sunday.

## SUNDAY MORNING PARKING NOTE

Although we continue to have a good working relationship with our neighbor, Knights of Columbus (regarding use of the parking lots), they have asked our members to refrain from parking on their lot for the next four Sundays.

Beginning Sunday, September 17, our members may once again resume using the parking lot of their building. Thanks, in advance, for your cooperation.
