"JUNTA DE LA MISION EXTRANJERA  
DE LA CONVENTION DE BAUTISTAS DEL SUR  
APARTADO 810  
TRUJILLO, PERU

Dear Cecil and Church Family:

This week has been another amazing joining of two bodies into one fellowship of common faith and commitment. It has been such a fun filled week of learning from these dedicated real live Christians. There are no words in my vocabulary to adequately thank you for the countless blessings of this partnership ministry. Each one of you must feel a great joy in that you are bringing a new quality of life to so many people here in Trujillo. Words of deep appreciation for the pastors seminar and each one of the clinics will continue to come in from our people for many months. The two pastors who were out at the airport to see Richard (Houston) off are just a small example of this...

We have been so richly blessed by the past week. Each member of the team is exhausted as a result of the 'burn-out schedule' we had from Sunday to Sunday. It was another evidence of the commitment you have for the Lordship of Christ, and your responsibility to missions. We love you, and thank God for you, and that He has so blessed our lives by getting to know you.

Keep on praying for Peru as well as all of your missionaries here in all of the country. We pray God will keep on blessing you.

Love,  
May and Rodolph (Dixon)"

## THE SEAGLE SAY:

**Great Day...**  
is coming! Can you imagine it?  
-1800 plus in Sunday School;  
- a fabulous concert;  
- wonderful Bar-B-Que;  
- "Deacon-Dipped" ice-cream;  
- a casual, no tie day;  
- a wonderful day of victory and celebration. Well, dear friends, that's exactly what Great Day '89 is all about.

**What will...**  
make it a great day? The truth is, you will make it a great day! The truth is, the powerful movement of God in invitation will make it a great day! The obvious truth is, every Lord's Day is a great day with November 19th being the capstone to a tremendous beginning for a new year.

**Gary Garland...**  
Sandy Sansing, Dave Andrews and a host of the hardest-working people I've ever seen

will make Great Day a great day!

**Several responses...**  
are open to all of us.

- skepticism;
- anger at goal setting;
- a critical spirit, with the prevailing attitude being this is all too unsophisticated for us.

Still others have caught the vision and have risen to the challenge. You see people as our reason for being. You've gotten excited. You've called, kidded and urged a strong response from your class members.

Thank you!

**There's still...**  
time! Call a friend! Get excited! Let's meet the challenge! Pray for victory, pray for a great sense of God's presence. Pray for invitation and those who will be making decision.

I'll see you 1800 strong for Great Day!
