## Brian's Lines

What a marvelous day we had Sunday.

The worship attendance Sunday morning was the best we have had since Easter. We baptized seven and welcomed six other individuals into our church family. Then, the choir presentation Sunday night — it was just an outstanding day.

A SPECIAL THANKS . . . to Mike Simoneaux for his leadership in the *Elijah* presentation. And a special word of appreciation also goes to Lynne Hinds. She is just fantastic. We are fortunate to have someone so talented in the position of organist for our church. This *Elijah* presentation was just another of the outstanding products of our music ministry at First Baptist Church.

SSSSS . . . What is it? Is it a bird? A plane? Superman? No, it is our Super Summer Sunday School Spectacular at First Baptist Church. David Chism and his workers have taken some lessons in alliteration from their pastor and incorporated it into their Sunday School emphasis for the Summer. On this past Sunday, those who attended Sunday School were asked to commit themselves to attending ten out of the thirteen Sundays during the Summer. Will you make that commitment? If so, fill out the commitment card next Sunday when you are at Sunday School. Let's make our Sunday School really spectacular this Summer.

THERE IS A MISSION OPPORTUNITY . . . that our Mission Committee is considering. A new mission called Government Street Mission has been in existence for several months. It was being sponsored by another church within the association, but that church has withdrawn their support. The mission is currently being supported by the association, but this is only a temporary situation. There is the need for another church to sponsor this mission. I met with the Mission Committee last Wednesday night and we discussed four questions: the potential of the mission, the nature of the ministry that the mission needs to carry out, the financial support, and the supervisory control that we will have over the mission if we should choose to sponsor it. Growing out of that discussion is an interest in pursuing the opportunity further. If we take on this project, we need to do it as a total church. And if we take on this project, we have to have a num-

## “SSSSSS” Super Summer Sunday School Spectacular

Will you be part of the 17,000 that First Baptist Church will have in Sunday School June 3 thru August 26? Take a commitment card from your Sunday School teacher and commit yourself to being present for 10 of the 13 Summer Sundays.

ber of our people who are committed to actual and personal involvement in the mission. This means we will need people who will go there on Sunday and teach Sunday School classes, people who will work with the children, people who will lead in recreation programs, people who will work in the worship services, people who will be involved in different weekday ministries which will enable us to reach people in that area. This coming Sunday, during the Morning Worship Services, you will have the opportunity to respond to these different needs and express your interest. If there is sufficient

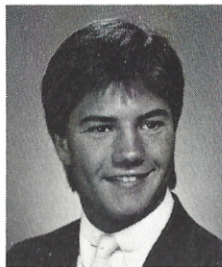

interest, we will consider the project further. If there is not, then we will take that as an indication that this is not something we need to do at this time. Will you please pray about this matter?

THIS SUNDAY . . . we will recognize our graduating seniors in the 11:00 Worship Service. In both of the services I will be preaching a sermon on 1 Corinthians 13 entitled, *“It's Love That Makes The World Go Round.”* In the evening service we will have the ordination service for our Minister of Education, Dr. David Chism. I hope you will be here for another exciting day.

## MUSIC MINISTRY

### Mike Simoneaux

ELIJAH — I wish to thank all members of the Sanctuary Choir, soloists, rehearsal leaders, accompanists, those who worked behind the scenes in sound, TV recording and everyone who had any part in Sunday night's presentation. A special "thank you" goes to our organist, Dr. Lynne Hinds, without whose expert ability none of this could have been accomplished. I must mention how much I appreciate Jill Findley for the untiring work she put in both on and off duty. Attendance set a new record for such presentations with 140 members taking part in the *Elijah*. I was and am overwhelmed by the evening.

HIGH SCHOOL CHOIR — High Schoolers, don't forget the mandatory rehearsal / preparation time this Saturday from 9:30 - early afternoon. Please be here, on time, ready to sing at 9:30 A.M.

SUNDAY'S SOUND — For those of you who heard an improvement in the sound in both Sunday morning worship services and during the presentation of ELIJAH Sunday evening, Mr. David Meckley, a professional sound man from Dothan, Alabama, was in the church the entire week working on the system, installing monitors and giving instruction to our Sound Committee in order to produce quality sound for the Sanctuary.

## LIBRARY OPEN HOUSE

### WEDNESDAY, MAY 30

### 4:30 - 7:00 P.M.

**REJOICE WITH US:** The expansion and remodeling of the Media Library is now complete! Additional space and new furniture and shelving create an atmosphere that says, "Come on in."

The additional space makes it easier to browse and find materials. A special large room has been provided to house the comprehensive collection of mission materials which has been given to the Library for display and use by numerous missionaries and others who visited the mission fields. Space has also been provided to house archives of historical value to the First Baptist Church. Also, Bible reference and devotional books have been placed in the Reference Study Room, providing a quiet place for study.

The children's space has been expanded to make all materials more accessible with the added spaciousness creating a more pleasant appearance.

**SPECIAL THANKS** to Kent Phillips, Henry Karn and Roger Yonker who labored long hours tearing down partitions and building new shelving and numerous other things to make the expansion possible. The entire staff of volunteers has worked overtime moving, painting and reshelving to bring the Library to its present improved condition.

The Library houses about 12,000 books and numerous other materials providing opportunity for study and enjoyment for all members.

COME IN AND REJOICE WITH US!
