## Brian's Lines

I want to say a special word of thanks for all the cards, flowers, and expressions of love during Jan's time in the hospital. She is home now and is slowly recovering her strength. Continue to pray for her during the next few weeks.

THIS NEXT WEEK . . . is a time of great importance in the life of our church. We call it Vacation Bible School. It is a time of concentrated Bible study for our children. Dozens of our adults have been preparing for this week of Bible teaching. You pray for the leaders and the children as we come to the church every day next week for Vacation Bible Study.

THERE ARE SPECIAL ACTIVITIES PLANNED . . . for different age groups this summer. For the children, there is a planned activity each Friday. For the Middle School, Thursday is the day their events are planned. The High School youth have planned activities on Monday. If you need further information about these, please call the Church Office. We want your children and young people to be involved during summer months.

OUR SINGLE ADULT PROGRAM . . . is the strongest one with which I have been associated. Jay is providing good leadership for what is the fastest growing area of our church. This weekend will be a unique opportunity for our singles who have gone through a divorce. This Divorce-Adjustment Seminar will be helpful to many singles. If you know of someone who could benefit from this, call Jay.

I JUST TALKED TO MIKE SIMONEAUX . . . in Pewaukee, Wisconsin. He said that the first day was outstanding. There have been no major problems up to this point. They handed out hundreds of invitations to the Backyard Bible Clubs and the revival services, so they should see some good results before the week is over. We will have a report from the Mission Trip this Sunday night in the 7:15 service.

THIS SUNDAY . . . I will preach a sermon in both morning worship services on Caleb. The sermon is entitled, "Know Where You Are Going." I'll see you here for another exciting day.
